### Admission criteria 2012/2013

Children who have a statement of Special Educational Needs which names the school will be admitted which will reduce the number of places available to other applicants.

1. Looked after children.
2. Children living in the catchment area which consists of the parishes of Elston, East Stoke, Thorpe and Sibthorpe.
3. Those out of catchment children who have a brother, sister, step or half sibling living in the same household on the school roll at the time of admission to the school.
4. Children who have attended worship at a Church of England Church, Methodist Chapel or a Church that is a member of Churches Together in England at least once a month over the previous year. (Applicants under this criterion are advised that the school will request information from their Minister of Religion).
5. A child that has been Baptised/Dedicated in a Church as listed in point 4 above.
6. Children living nearest to the school at the time of application. Distances will be measured "as the crow flies" from the child's home address to the main entrance to the school (using LA software, currently Arcview).
7. Other children who live outside the catchment area.

Within each category priority will be given to pupils who live closest to the school "as the crow flies".

**Special circumstances** Children whose particular medical needs, mobility support needs, special educational needs or social circumstances are supported by written evidence from a doctor, social worker or other relevant professional stating that the school is the only school that could cater for the child's particular needs. The evidence must be presented at the time of application.

Cases agreed under 'special circumstances' will take precedence over all the above numbered criteria, provided that Governors are satisfied that the child has appropriate provision. Governors will therefore agree that the date for admission of any child with 'Special Circumstances' when they have satisfied themselves that the Local Authority has made sufficient staffing and resources provision for that child to be fully integrated into mainstream education.

### Admission criteria 2012/2013

In the event of oversubscription, within any criterion, preference will be given to children who live nearest to the school as the crow flies. Distances are measured using the Local Authority's computerised measuring system, currently arcviev, from the entrance to the child's home to the principal entrance to the main administrative building of the school.

Children who have a statement of special educational need that names Barnby Road Academy will be admitted. This will reduce the number of places available for other children.

#### Criteria

1. Children who are 'looked after'
2. Children who live in the catchment area and who, at the time of admission, have a sibling (brother or sister) who attend the school
3. Children who live in the catchment area
4. Children who live outside the catchment area and who, at the time of admission, have a sibling (brother or sister) who attend the school
5. Children who live outside the catchment area but who attend the Barnby Road Academy
6. Other children who live outside the catchment area

#### Special Circumstances

Children whose particular needs, mobility support needs, special educational needs or other social circumstances who are supported by written evidence from a doctor, social worker or other relevant professional stating that the school is the only school which could cater for the child's particular needs will be given special consideration. The evidence must be presented at the time of application. Admission under 'special circumstances' will take precedence over all but the first numbered criteria.

### Admission criteria 2012/2013

Children can join the Early Years Group the term after the child's third birthday. Please contact the school for further details. For entry into the reception class the admission limit has been set, at 15 places per year, by the Governing body. At present, children can be admitted into the Reception Class at the beginning of the academic year in which their fifth birthday occurs. Parents may defer their child's entry into school, in which case the place will be kept open for them during the Reception Year. An introductory part-time placement will be offered to allow a happy and orderly start to the child's educational career. The academic year is from 1 September to 31 August. Please contact the Head Teacher if you wish to discuss your child's specific admission arrangements. Priority will be given to all children from the civil parishes of Gunthorpe or Caythorpe who apply for a place for their child at Gunthorpe C of E School will be granted one subject to the statutory legal limit (30 per class at KS1).

If there are more applications than the 15 places available, the admission criteria as laid down by the Governing Body will apply.

Priority will be given in the following order to:

1. Looked after children.\*\*
2. Those with a brother, sister, step or half-sibling, living in the same household, on the school roll at the time of entry to the school.
3. Those parents/children who are frequent\* worshippers at a Church of England within the parishes of Gunthorpe or Caythorpe.
4. Those parents/children who are frequent worshippers at any other Church of England.
5. Those parents/children who are currently members of any other Christian Church.
6. Those living nearest the school as the crow flies. Distances are measured from the entrance of the child's home to the recognised main entrance to the school building

\*Minimum monthly attendance

Children who have a statement of special educational needs naming the school, or exceptional medical or social circumstances will be admitted. Confirmation will be required from other relevant professionals.

For criteria 3, 4 and 5 a supplementary admission form is available from the school.

For Criterion 6 LA recommended computer software (Arcview) will be used to determine distances.

\*\* A looked after child is one who is in the care of the local authority or provided with accommodation with that authority.

The school Governors, under regulations, must review the admission criteria annually. For up to date information please contact the Head Teacher. A parent has the right to appeal in the event that their application was unsuccessful. The Governing Body will arrange for the appeal to be heard by a local appeal committee, whose members were not involved in the original decision. If this committee decides that a child should be offered a place at the school, then he or she must be admitted.

### Admission criteria 2012/2013

AAll children from the Parish of Lowdham with Caythorpe and from the Parishes of Oxtun, Epperstone and Gonalston (the catchment area) will have the right of admission to the school subject to an admission limit of 30 pupils per year group.

N.B. a) the Governors will not admit over this admission limit

b) where the pupil has a Statement of Special Educational Needs which names the school then the child will be admitted.

Application for admission to the Reception Class for September should be received by the Headteacher by the date given on the LA application form.

Should there be more than 30 applications then applicants will be considered by the Governors having regard to the following criteria, in priority order, as listed below:

1. Where the pupil is a "Looked After Child" in the care of the Local Authority then high priority will be given to any such child
2. Whether the child is resident within the catchment area
3. Whether the child, at the time of admission, will have a brother or sister\* attending the school
4. Whether the child attends organised religious worship linked to the Church of England i.e. being regular worshippers (at least once per month) and/or are actively involved in the work of the Church and have been so for a period of at least 12 months prior to the date of application.
5. Whether one or both parents\* are practising members of the Church of England, i.e. being regular worshippers (at least once per month) and/or are actively involved in the work of that Church and have been so for a period of at least 12 months prior to the date of application
6. As for 3 but in a C.T.E (Churches Together in England)\*
7. Other applications from children who are outside the catchment area

\* see prospectus for full details

In each of the above situations, all things being equal, nearness to the school will be a deciding factor. (Distances will be measured 'as the crow flies' from the front door of the child's home address to the main entrance door of the school using Local Authority software.)

N.B. Regardless of the above criteria the Governors will, if there are any specific social, medical needs or compassionate grounds why the child should attend this school in preference to another school, give consideration to admitting such a child.

### Admission criteria 2012/2013

The Governing Body has adopted a fair, open and objective system for considering all requests for admission. Applications for children with disabilities are treated no differently from any other. The school has a disabled toilet facility. A child who has a statement of educational needs which names the school or is 'looked after' (child in care of a Local Authority) will be admitted. When there is an over-subscription for the places available the following criteria will be applied in the priority order given. A looked after child has the highest priority in the event of over subscription.

- A. Whether a child has a sibling attending the school on the date of admission of the child (a sibling is a brother or sister who share the same parent, a half brother or sister who share one common parent, a step brother or step sister where two children are related by a parents marriage, and adopted or fostered children living in the same household under a residence order).

- B. Whether the child or parent/carer is a regular twice monthly worshipper at a Church of England church for at least the previous twelve months.
- C. Whether the child or parent/carer is a regular twice monthly worshipper at any members of Churches Together in England for at least the previous twelve months.
- D. Whether a child whose particular medical needs, mobility support needs, special educational needs or social circumstances has written evidence from a doctor, social worker or other relevant professional stating that the school is the only school which could cater for the child's particular needs. The evidence must be presented with the application.

In each category, a child living nearest the school will be given priority. Distances will be measured in a straight line from the child's home address to the main entrance of the school (using the Local Authority software).

A parent, carer or adult responsible for a looked after child is the person having the legal responsibility for the bringing up of the child.

Supporting references for applications in category D will be required from the appropriate professional person.

#### Guidelines for a Minister's Verification

Applications on denominational grounds (Criteria B and C) must be supported by the supplementary form completed by the parent(s) with verification from a minister of religion that the child and parent(s) have practised their faith by worship at least twice per calendar month at the Ministers place of worship for at least the past year.

*The school governing body is consulting on their proposal to provide 11 Early Years places at the school from January 2012 at the time of going to print. This would change the school range to 3-11 years.*

### Admission criteria 2012/2013

#### Catchment

In the event of over subscription, the following criteria will be applied, in priority order, to determine which applications will be granted:

1. Looked after children as defined in the 'looked after child' from The Education (Admissions of Looked After Children England) Regulations 2006.
2. Children whose parents are regular worshippers or involved in the life and work of the Church of England, as attested by the Minister, within the parishes of Aslockton, Whatton, Scarrington, Hawksworth, Thoroton, Orston and Shelton.
3. Children who at the time of admission have a brother or sister already in school.
4. Children whose parents are regular worshippers or involved in the life and work of a Church within Churches Together in England.
5. Children whose parents live within the parishes listed in '2' above as measured from the direct distance, as the crow flies, from the entrance to the child's home to the main administrative building using the local authority software.

#### Outside catchment

If places remain after applicants from the catchment area have been accommodated, places will be allocated as follows:

1. Looked after children as defined in the 'looked after child' from The Education (Admissions of Looked After Children England) Regulations 2006.
2. Children whose parents are regular worshippers or involved in the life and work of the Church of England, as attested by the Minister, within the parishes of Aslockton, Whatton, Scarrington, Hawksworth, Thoroton, Orston and Shelton.
3. Children who at the time of admission have a brother or sister already in school

4. Children whose parents are regular worshippers or involved in the life and work of a Church within Churches Together in England
5. Children whose parents live nearest to the school as measured from the direct distance, as the crow flies, from the entrance to the child's home to the main administrative building using the local authority software.

Definition of 'regular worshippers' means parents/guardians who have attended worship at least one Sunday a month over the previous year.

Definition of 'involved in the life and work of' means parents/guardians means demonstrable specific involvement in the Church apart from regular worship throughout at least the previous year.

#### Special Circumstances

The following children will be given special consideration in their application:

1. Pupils who have a statement of special education needs where this school is named in the child's statement will be admitted.
2. As this is a voluntary aided school the Governors are able to consider applications from outside the parishes as well.

### Admission criteria 2012/2013

1. Children looked after by the local authority.
2. Children whose parents have a commitment to All Saints Church, Cotgrave or any other church which is a member of Churches Together in England/Council for Churches for Britain and Ireland and/or The Evangelical Alliance (for this criterion governors will seek written confirmation of that statement from the appropriate Minister of Religion)
3. Children whose parents are seeking a Christian environment for their child's education.
4. Any other children.

**Special Circumstances** - The following groups of children will be given special consideration in their application to the school:

- Children whose particular medical needs, mobility support needs, special educational needs or social circumstances are supported by written evidence from a doctor, social worker or other relevant professional stating that the school is the only school which could cater for the child's particular needs. The evidence must be presented at the time of application.
- Children with a statement of Special Education Needs which names Cotgrave Church of England Primary School will be allocated a place.

### Additional Information

- Within Criterion 2, governors will differentiate priority according to whether the family are: 'at the heart of the church' (worshipping usually at least twice per month); 'attached to the church' (worshipping usually monthly or involved in regular weekday church activities which include an element of worship); or 'known to the church' (worshipping occasionally, known through a family connection or involved in regular weekday church activity which does not include an element of worship)
- Within Criteria 2, 3 and 4, governors will give priority to children who have a sibling (as defined by the Local Authority) attending the school at the time of admission.
- Within Criterion 3 we warmly welcome children from families of other faiths or of no faith at all who wish their child(ren) to be educated within a school with a religious character.

In the event of oversubscription within any criterion, and after priority has been given to siblings, preference will be given to children who live nearest to the school as the crow flies. The distance will be measured in a straight line from the front door of the child's home address to the main entrance of the school using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority.

### Admission criteria 2012/2013.

#### 1. Children in public care

1.1 Places will be allocated to any Relevant Looked After Child (as described in Section 22 of the Children Act 1989) which will reduce the number of places available to other applicants.

#### 2. Community places (at least 80% of the total places available in any admission year)

2.1 Places will be allocated to applicants who at the time of admission will have a brother or sister\* attending the school

2.2 Places will then be given to other applicants

#### 3. Foundation places (no more than 20% of the total places available in any admission year)

For each of the following criteria preference will be given to those applicants who have expressed a wish for Church School education and who can demonstrate a commitment to this. Parents will explain their commitment by completing extra questions on a supplementary application form. Parent(s) and child(ren) must have attended a place of worship, within Churches Together in England or the Evangelical Alliance, at least monthly on average over the past two years, in order to be considered for a Foundation Place. Additional preference will be given to those who also attended other activities outside of Sunday services during the last two years. A reference will be sought from the family's church minister to confirm their frequency of attendance.

3.1 Places will be allocated to applicants who at the time of admission will have a brother or sister\* attending the school

3.2 Places will then be given to other applicants

\* The term 'brother or sister' includes all children normally resident in the same household who are regarded as members of the same family

#### Special Circumstances

The following groups of children will be given special consideration in their application for a place at the school;

- Children who have a statement of special educational needs in which this school is named will be admitted. This will reduce the number of places available to other applicants.
- Children who have other particular medical needs, mobility support needs, special educational needs or social circumstances which are supported by written evidence from a doctor, social worker, or other relevant professionals **at the time of application**. The definition of special educational need will relate to a learning difficulty which calls for special educational provision to be made for the child. Each case will be determined on its own merits. Taking account of the special circumstances the Governors may accord a higher priority to the applicant with regard to any or all of the above criteria.

### Admission criteria 2012/2013

In the event of oversubscription. The following criteria will be applied, in priority order, to determine which applications will be granted once places have first been allocated to pupils who have a statement of special educational needs which names the school:

- Children looked after by a local authority
- Children who live in the catchment area and attend the linked infant school and who, at the time of admission, will have a brother or sister attending the school
- Children who live in the catchment area and attend the linked infant school and who, at the time of admission, will have a brother or sister attending the linked infant school
- Other children who live in the catchment area and attend the linked infant school
- Children who live inside the catchment area who do not attend the linked infant school but who, at the time of admission, will have a brother or sister attending the school
- Children who live inside the catchment area who do not attend the linked infant school but who, at the time of admission, will have a brother or sister attending the linked infant school
- Other children who live in the catchment area and do not attend the linked infant school
- Children who live outside the catchment area but attend the linked infant school and who, at the time of admission, will have a brother or sister attending the school
- Children who live outside the catchment area but attend the linked infant school and who, at the time of admission, will have a brother or sister attending the linked infant school
- Children who live outside the catchment area who do not attend the linked infant school but who, at the time of admission, will have a brother or sister attending the school
- Children who live outside the catchment area but attend the linked infant school
- Children who live outside the catchment area who do not attend the linked infant school but who, at the time of admission, will have a brother or sister attending the linked infant school
- Other children who live outside the catchment area

In the event of oversubscription within any criterion, preference will be given to children who live nearest to the school as the crow flies. Distances are measured from the entrance to the child's home to the principal entrance to the main administrative building of the school.

Children whose particular medical needs, mobility support needs, special educational needs or social circumstances are supported by written evidence from a Doctor, social worker or other relevant professional stating that the school is the only school which could cater for the child's particular needs. The evidence must be presented at the time of application.

### Admission Criteria 2012/2013

Children for whom Arnold Hill is the named school in a statement of special educational needs will automatically be allocated a place, providing the school can meet the specific needs. The Governing Body cannot guarantee a place at the school for any other category of application.

Arnold Hill is a very popular school and we cannot always accommodate all the children who apply. If the school is oversubscribed, the following criteria will be used to determine the allocation of places:

1. Children in public care who are 'looked after' at the time an application for admission is made and who the local authority can confirm will still be looked after at the time of admission to the school
2. Children with a statement of special education need that names Arnold Hill School

Subsequently, where the number of applications for admission exceeds the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:

1. Children who live in the catchment area on the closing date for applications as part of the co-ordinated admissions scheme in the year preceding admission to secondary school
2. Children who attend the Arnold Hill Family of Schools: Arno Vale Junior; Arnold View; Arnbrook; Coppice Farm; Ernehale; Mapperley Plains; who were on the roll of, and in regular attendance at, one of those schools on the last day of the Summer Term of Year 5 preceding their intended admission to Arnold Hill and intend to remain on the roll of that school until the end of Year 6
3. Children who live outside the catchment area and who have been on the pupil roll of a linked primary phase school for 12 months preceding the closing date for applications as part of the co-ordinated admissions scheme in the year preceding admission to secondary school
4. Other children who live outside the catchment area

### Proximity to school

In the event of an over-subscription of any of the above criteria proximity to the school will be used with those living nearer being given priority. Distance measurements to be made 'as the crow flies' from the front gate of the pupil's registered home address to the reception office of the main school.

### Special Circumstances

Special consideration will be given to:

1. Children with an exceptional level of need with regard to a physical disability provided written evidence from a registered health professional such as a doctor is received at the time of application. The school has poor access for students with a physical disability however we form part of the local authority's strategic plan to improve access for a child with physical disability
2. Children of nomadic travellers that live within the catchment area will be given special consideration
3. Requests from the local area pupil placement panel for 'hard to place children' will be given special consideration

The governors of the school will consider each application on its merits in consultation with the local authority. Cases agreed under 'special circumstances' will take precedence over all of the numbered criteria.

## Sixth form admission criteria

The admission number for the Post-16 centre will be 200, of which we anticipate the minimum number of applications to Year 12 from outside the school will be 30.

Arnold Hill School Post-16 presently offers A levels and a range of vocational courses. Subsequently, we propose the following admissions criteria:

- 5 GCSEs at Grades A\* - C.
- A minimum of Grade C in a related GCSE for academic level 3 courses.
- A minimum of Grade C (or equivalent) in a relevant subject for Applied courses.

These requirements do not include English oral grades or GCSE half course grades.

There will be no upper limit for applications to year 12 from outside the school. A meeting will be held to advise and clarify entrance requirements for particular courses.

Over-subscription for the Post 16 centre

Where the number of applications for admission exceeds the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:

- 1 Children in public care who are 'looked after' at the time an application for admission is made and who the local authority can confirm will still be looked after at the time of admission to the school
- 2 Children who already attend the school and meet the entry criteria
- 3 In the event of an over-subscription of the above criteria and for all other applications, proximity to the school will be used with those living nearer being given priority. Distance measurements to be made 'as crow flies' from the home address to the main reception of the school

Where applications are received in respect of twins, triplets or children of other multiple births, Arnold Hill School will endeavour to offer/places at the school admitting above the planned admission number where necessary. If this is not possible, the parent/carer will be asked which child(ren) should take up the place(s). The parent/carer will still have a right of appeal against a refusal of a place.

### Sixth form admission criteria

The minimum academic requirements for entry into The Becket Sixth (Yr 12) are:

Three Grade Bs at GCSE level and three Grade Cs at GCSE level, three Grade Bs being in the subject to be studied or in a relevant subject, as listed below unless stated otherwise:

1. Music - someone with Grade 5 Theory and Grade 5 Practical will be considered to have attained the equivalent of Grade B GCSE.
2. Art - a portfolio of work will be assessed and a written statement from one of the Art teachers of the school that this is the equivalent of Grade B will be required
3. Drama – relevant subject: English literature
4. Sciences (Biology, Chemistry and Physics) – Grade B in Double science and Grade C in Maths are minimum requirements
5. Further Maths – Grade A in GCSE Maths is a minimum requirement
6. Mathematics – Grade B at GCSE Maths (Higher Level)
7. Economics/Business Studies – relevant subject: History, Geography or English and Grade C in Maths is a minimum requirement
8. History/Geography – where not studied at GCSE, a Grade B in the other subject or English is a minimum requirement
9. Sociology/Psychology – Grade B in English or History or Geography is a minimum requirement (as well as Maths for Psychology)

Where only one GCSE grade fell below the requirement in a particular subject, a written statement from the relevant Curriculum Leader confirming that assessed coursework, previously assessed work and overall progress indicate that this low grade is exceptional and abnormal and where, on this basis, the Curriculum Leader recommends that the student be admitted to Year 12, the predicted grade will be accepted for this one subject only.

At the end of Year 12 students will normally be allowed to proceed to A2 only in those subjects in which they have attained at least a grade D at AS level.

**Information & Guidance Meeting** - Prospective students will be invited to attend an information and guidance meeting with their parents to discuss the suitability of particular subjects and combinations of subjects. Offers of places will not be made on the basis of the meeting, but in accordance with the stated criteria.

**External Students** – A minimum of 20 and a maximum of 40 external students, who meet the above criteria, will be admitted to Year 12 in any one year, subject to places being available on chosen courses. Applications will be considered initially after **9th January 2012** following an initial closing date of **6th January 2012**. Applications received after this date will be placed on a waiting list in accordance with the oversubscription criteria.

**Oversubscription Criteria** – in the event of oversubscription places will be offered to applicants on the following order of preference:

1. Catholics in the care of a Local Authority (Looked After)
2. Baptised Catholics \* ;
3. Applicants in the care of a Local Authority who are not Catholic
4. Christians/Denominations other than Catholic, who can provide a certificate either of baptism or dedication;
5. All other applicants.

\*A copy of Baptismal certificates must be submitted with applications to ensure correct categorisation. Where a distinction has to be made within one of the above categories, preference will be given to siblings, then, as a tie break, distance from the Student's home address (as defined by the Local Authority) to the Main Entrance of The Becket School "as the crow flies" will be used, preference being given to the shortest distance.

**Right of Appeal** – A formal appeal procedure is available in accordance with the provision of the School Standards and Framework Act 1998. If you wish to appeal against the decision (parents and students are able to appeal jointly or separately) you should inform the school in writing, within 10 days of receiving your refusal of a place.

**Late Applications** (Applications received after the initial closing date) – Applicants will be placed on a waiting list as per the over-subscription criteria. After the final offer date of 9th March 2012 further offers may be made from the waiting list; based on the number of offers accepted and availability. Final numbers cannot be determined before September 2012.

The waiting list will be held open until 9th September 2012

### Admission Criteria 2012/2013

Children for whom Carlton le Willows Academy is the named school in a statement of special education need will be automatically offered a place at the school. The Governing Body of the school cannot guarantee a place at the school for any other category of application.

### Over-Subscription

Where the number of applicants for admission exceeds the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:

- 1 Children in public care as defined by section 22 of the Children's Act, 1989.

- 2 Applicants who can establish exceptional medical, social or humanitarian grounds (e.g. a learning, behavioural or mobility difficulty which calls for special educational provision) relating to the child or to the circumstances of the family. Supporting written evidence from a doctor and/or other relevant professional agencies must be provided at the time of application, together with details of the particular reasons why it is considered that Carlton le Willows is the most suitable school and the difficulties that would be caused if the child had to attend another school. Each case will be considered on its merits and the Governing Body may seek any independent specialist advice deemed necessary.
- 3 Children who live in the catchment area and who, at the time of admission, will have a brother or sister attending the school.
- 4 Other children who live in the catchment area.
- 5 Children who live outside the catchment area, but who are attending a linked primary phase school on 31 October preceding admission to secondary school and who will have a brother or sister at the preferred secondary school at the time of admission.
- 6 Children who live outside the catchment area and who, at the time of admission, will have a brother or sister attending the preferred secondary school.
- 7 Children who live outside the catchment area but who are attending a linked primary phase school on 31 October preceding admission to secondary school.
- 8 Other children who live outside the catchment area.

**Note:** If applications exceed the number of places available, the school will operate a waiting list in which priority for places will be given on the basis of the above criteria. The child's place on the waiting list may go up or down depending on whether places become available or if late or mid-term applications are received. The Governors of the school, in partnership with the Local Authority, will administer the waiting list for the duration of the co-ordinated admissions scheme. Once the co-ordinated scheme is closed, the waiting list will remain open but will be administered by the Governors of the school for one year. **All applications for places in the normal year of entry are made on the common application form together with a supplementary form which is available from the school and is contained within the prospectus.**

#### Measuring distance 'as the crow flies'

In the event of over-subscription within any criterion, preference will be given to children who live nearest to the school as the crow flies. Distances are measured from the entrance to the child's home to the principal entrance to the main administrative building of the school by the Local Authority which currently uses the 'Arcview' system.

#### Admission to the Sixth Form including admission number for those admitted for the first time.

To be accepted on to Level 3 courses, pupils will need five or more GCSE passes at Grade C or above (or equivalent) and be able to provide evidence that they are able to complete any necessary coursework and meet deadlines. For certain subjects, a GCSE Grade B is required. (See Sixth Form Prospectus.) The school does not currently actively recruit into its Sixth Form. Applications are handled in the same way as other applications outside the normal year of entry. Any applicant refused entry can appeal against the decision. Should oversubscription criteria be required, they will be as for Year 7, with the exception of Criteria 5 & 7.

#### Admissions Criteria 2012/2013

In accordance with the Code of Admissions, children with a statement of special education needs that names Chilwell School will be admitted.

If the school is oversubscribed, the following criteria will be used to determine the allocation of places. In the event

of over subscription within any particular category, proximity to the school measured 'as the crow flies' from the entrance of the child's home to the principal entrance of the main administrative building of the school will be used as the determining factor.

1. Children in public care who are 'looked after' at the time an application for admission is made and who the local authority can confirm will still be looked after at the time of admission to the school.
2. Children who attend the Chilwell Family of Schools (College House Junior School, John Clifford Primary School and Rylands Junior School) who were on the roll at the time of application and who were still on roll on the closing date for applications. Within this category first priority will be given to those who will have a brother or sister attending Chilwell School at the time of admission. Where applications are received in respect of twins, triplets or children of other multiple births from the Chilwell family we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
3. Children not attending the Chilwell Family of Schools who will have a brother or sister attending Chilwell School at the time of admission. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
4. Remaining places will be allocated on proximity to the school measured 'as the crow flies' from the entrance to the child's home to the principal entrance of the main administrative building of the school.

**Special circumstances** Special consideration will be given to children with an exceptional level of need with regard to a physical or medical disability provided written evidence from a registered health professional such as a doctor, is received at the time of application. We are a pathways school and have good access for students with physical disabilities. Requests from the local area pupil placement panel for 'hard to place children' will be given special consideration. The governors of the school will consider each application on its merits in consultation with the local authority. Cases agreed under 'special circumstances' will take precedence over all of the numbered criteria.

### **Sixth Form Admissions**

The admission number for year 12 entry into the sixth form is 150. Admissions into the Sixth Form will be allocated to those who have applied by the closing date taking regard to the following factors set out in order of priority:

1. Students in public care who are 'looked after' at the time an application for admission is made and who the local authority confirm will still be 'looked after' at the time of admission to school.
2. Pupils transferring from within Chilwell School who meet the school's minimum entry requirements; such students are guaranteed a place irrespective of numbers.
3. Pupils transferring from other schools who meet the school's minimum entry requirements (At least 20 places will be available for pupils transferring from other schools.).

In the event of there being more applicants than places available in 3 above, the deciding factors will be, in order of priority:

- (i) Whether there is a brother or sister on Chilwell School roll at the time of entry to the Sixth Form. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
- (ii) Pupils who live nearest to the school 'as the crow flies' with distances measured from the entrance to the pupil's home to the principal entrance of the main administrative building of the school. In the event of the two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body of Chilwell School

### Admission Criteria 2012/2013

Children for whom George Spencer is the named school in a statement of special educational needs will automatically be allocated a place. The Governing Body cannot guarantee a place at the school for any other category of application.

George Spencer is a very popular school and we cannot always accommodate all the children who apply. The following criteria will be used to determine the allocation of places for applications made as part of the national co-ordinated scheme for admissions:

1. Children in public care who are "looked after" at the time of application and will continue to be so at the time admission, as confirmed by the local authority.
2. Applicants who can establish exceptional medical or special educational needs (i.e. a learning or behavioural difficulty, which calls for special educational provision) relating to their child. Supporting written evidence from a doctor and/or from other relevant professional agencies must be provided at the time of application. Each case will be determined on its merits.
3. Children who attend the George Spencer Family of Schools: Fairfield School Stapleford, Chetwynd Road or Bispham Drive Schools in Toton, who were on the roll of one of those schools at the time of the initial application.
4. Children not attending the George Spencer Family of Schools who have a sibling attending George Spencer School at the time of admission.
5. Remaining places will be allocated according to proximity to the school with those living nearer being given priority. Distance is measured "as the crow flies" from the centre of the school footbridge to the child's permanent home address.

In the event of oversubscription in any of the above criteria, proximity to the school will be used as a tie-breaker. Proof of residence may be required.

#### **ADMISSION TO GEORGE SPENCER SIXTH FORM COLLEGE INCLUDING THE ADMISSION NUMBER FOR THOSE ADMITTED FOR THE FIRST TIME FOR SEPTEMBER 2012**

The maximum admission number for the George Spencer Academy will be 150. We anticipate a minimum of 15 places will be available for external students entering Year 12.

George Spencer Academy offers mainly "A" level and some vocational courses. Our policy is to ensure that students accepted into George Spencer Academy whether internally from Year 11 or from other establishments can be placed on appropriate courses where they are likely to succeed. To facilitate this all applicants will have a meeting with a college member of staff to discuss the most suitable courses of study.

Those seeking admission to George Spencer Academy will be expected to have:

- a minimum of 5 A\*-C including English and Mathematics GCSE at grade C or above;
- an average capped point score in their GCSE studies of at least 42;
- a high GCSE grade, preferably a B grade or above, in each of the preferred choice subjects.

Acceptance onto certain courses will depend on a combination of appropriate Level 2 qualifications.

Meeting the requirements of any course does not automatically guarantee that applicants will be offered places on the preferred choices.

#### **Oversubscription**

Where the number of applications for admission exceeds the number of places, the following criteria will be applied in the order set out below, to decide which students to admit.

- Students in care who meet the academic entry criteria
- Students who already attend the school and meet the academic entry criteria
- Proximity to the school with those living nearest the school being given priority. Distance is measured "as the crow flies" from the centre of the school footbridge to the child's permanent home address.

### 2011/2012 admissions

Planned admission number 208  
All applications were successful

Following a re-evaluation of the school's net capacity by the local authority as a result of accommodation changes, the admission number for Year 7 in September, 2011 is 208. In view of this change in circumstances, the Governors will consider any application above this number in any year group to satisfy themselves that further admission does not prejudice the provision of efficient education or the efficient use of resources.

Children for whom The Joseph Whitaker School is the named school in a statement of special educational need will be automatically offered a place at the school. The Governing Body of the school cannot guarantee a place at the school for any other category of application. If the school is oversubscribed, the following criteria will be used to determine the allocation of places. In the event of over subscription in any of the categories, other than category 2, proximity to the school measured "as the crow flies" from the entrance of the child's home to the principal entrance of the main administrative building of the school will be used as the determining factor.

1. Children in public care who are "looked after" at the time an application for admission is made and who the local authority confirm will still be "looked after" at the time of admission to school. The Governors require submission of the legal documentation which provides evidence that the child is "looked after" as defined by the Act at the time of application
2. Up to 21 places will be allocated to pupils who, at the closing date for applications, can show an aptitude for sport, including dance, and whose parents have requested a place at the school. Places will be allocated to those achieving the highest scores following the completion of an appropriate trial or audition process as published in the school's prospectus.
3. Applicants who can establish exceptional medical or social grounds (e.g. a learning, behavioural or mobility difficulty which calls for special educational provision) or humanitarian grounds within the requirements of the Human Rights Act, 1998 relating to the child or to the circumstances of the family. Supporting written evidence from a doctor and/or other relevant professional agencies must be provided to the school at the time of application, together with details of the particular reasons why it is considered The Joseph Whitaker School is the most suitable school and the difficulties that would be caused if the child had to attend another school. Each case will be considered on its merits and the Governing Body may seek any independent specialist advice deemed necessary.
4. Children who attend the Joseph Whitaker Family of Schools (Abbey Gates Primary School, Lake View Primary, Blidworth Oaks Primary School, Python Hill Primary School and Ravenshead C of E Primary School) who were on the roll of and regular attenders at one of these schools on the last day of the summer term of Year 5 preceding the intended admission to The Joseph Whitaker School and intend to remain on the roll of that school until the end of Year 6. Within this category first priority will be given to those who already have a brother or sister attending The Joseph Whitaker School.
5. Children not attending the Joseph Whitaker Family of Schools who have a brother or sister attending The Joseph Whitaker School.
6. Remaining places will be allocated on proximity to the school measured "as the crow flies" from the entrance to the child's home to the principle entrance of the main administrative building of the school. Note; where the final remaining place requires decision between children of a multiple birth, both or all of the children will be admitted.

### Admission Criteria 2012/2013

As required by the regulations of 2005, children for whom The Kimberley School is the named school in a statement of special educational need will be automatically offered a place at the school. The Governing Body of the school cannot guarantee a place at the school for any other category of application.

If the school is oversubscribed, the following criteria will be used to determine allocation of places. In the event of oversubscription in any of the categories, proximity to the school measured 'as the crow flies' from the entrance of the child's home to the principal entrance of the main administrative building of the school will be used as the determining factor.

1. Children in public care who are 'looked after' at the time an application for admission is made and who the Local Authority confirm will still be 'looked after' at the time of admission to school as also required by the regulations of 2005.
2. Children who attend The Kimberley Family of Schools who were on the roll at the time of application and who were still on roll on the closing date for applications. Within this category first priority will be given to those who will have a brother or sister attending The Kimberley School at the time of admission.
3. Children not attending The Kimberley Family of Schools who will have a brother or sister attending The Kimberley School at the time of admission.
4. Remaining places will be allocated on proximity to the school measured 'as the crow flies' from the entrance to the child's home to the principal entrance of the main administrative building of the school.

**NB.** Applicants who establish exceptional medical or special educational needs (i.e. a learning or behavioural difficulty which calls for special educational provision) relating to the child. Supporting written evidence from a doctor and/or other relevant professional agencies must be provided at the time of application. This should be accompanied by full supporting evidence setting out the particular reasons why it is considered that The Kimberley School is the most suitable school and outlining the difficulties that would be caused if the child had to attend another school. The Governing Body will seek to assess the evidence presented objectively and may seek any independent specialist advice deemed necessary.

Each case will be considered on its merits and the Governors will seek to ensure that where there is a prior need for potential support or for reasonable adjustment to be made in admitting a child with special educational needs or disabilities, these will be addressed as quickly as is practical so that the child can be placed quickly.

### Sixth Form Admissions

Admissions into the Sixth Form will be allocated to those who have applied, taking regard to the following factors set out in order of priority:

1. Children in care will be given the highest priority in our over-subscription criteria for entry to the sixth form
2. Pupils transferring from within The Kimberley School who meet the school's minimum entry requirements; such students are guaranteed a place irrespective of numbers.
3. Pupils transferring from other schools who meet the school's minimum entry requirements (up to a total maximum number of students in Year 12 and Year 13 of 300) (At least 20 places will be available for pupils transferring from other schools)
4. Courses are offered subject to viability at the time of curriculum planning

In the event of there being more applicants than places available in 2 above, the deciding factors will be, in order of priority:

- (i) Whether there is a brother or sister on The Kimberley School roll at the time of entry to the Sixth Form
- (ii) Pupils who live nearest to the school 'as the crow flies' with distances measured from the entrance to the pupil's home to the principal entrance of the main administrative building of the school.

#### Admission Criteria 2012/2013

Children with a statement of Special Educational Needs that names Magnus Church of England School will be admitted which will reduce the number of places available to other applicants.

In the event of oversubscription the following criteria will be applied:

1. Children in public care.
2. Up to 21 places will be allocated to children who show an aptitude for the Performing Arts and whose parents have requested a place at the school. Places will be allocated to those achieving the highest scores in open auditions as published in the school prospectus.
3. Children who attend a primary school in the Magnus family (currently Barnby Road Primary, Bishop Alexander Primary, Lovers Lane Primary, Manners Sutton Primary, Muskham Primary, Mount CE Primary) who were on roll on the closing date for applications and intend to remain on roll until the end of year 6.
4. Children attending a linked Primary School (currently Coddington CE Primary, Hawtonville Junior) who were on roll on the last day of the closing date for applications and intend to remain on roll until the end of year 6.
5. Children who, at the time of admission, are expected to have a brother or sister at the school.
6. Children who, at the time of application, have been regular and frequent worshippers (i.e. at least twice a month) at a Church of England Church for the previous twelve months.
7. Children who, at the time of application, have been regular and frequent worshippers (i.e. at least twice a month) at any Christian Church which is a member of Churches Together in England for the previous twelve months.
8. Children not meeting any of the above criteria whose parents have requested a place at Magnus Church of England School.

In the event of oversubscription within any criteria (with the exception of number 2) places will be allocated on the basis of those living closest to the school measured as the crow flies from home to the main gate on Earp Avenue as measured by the local authority's Arcview software.

The terms of the Nottinghamshire County Co-ordinated scheme for admissions will apply, including the dates specified in that scheme. Late applications will be considered in accordance with the scheme. A waiting list for the new intake will be maintained in partnership with Nottinghamshire County Council until the end of the first week of the Autumn term.

#### Sixth form admission criteria

Students who were on roll at Magnus Church of England School during Year 11:

- The minimum entry requirement for a two year Level 3 course (e.g. AS/A2) is five grade Cs at GCSE(or equivalent) in relevant subjects.
- Other students will be offered places on courses leading to qualifications at level 2. Successful completion of such courses will allow admission to a level 3 course for the following academic year.

Students who are not at Magnus Church of England School:

- The criteria for admission to the Sixth form are the same as for pupils who are currently Year 11 at Magnus Church of England School.

#### Oversubscription Criteria:

1. Children who have worshipped at a Church of England Church at least twice a month for the previous 12 months
2. Children who have worshipped at any Christian Church which is a member of Churches Together in England at least once a month for the previous 12 months
3. Distance from the applicant's home to the school measured as the crow flies from home to the main gate on Earp Avenue as measured by the local authority's 'Arcview' software

Prospective post-16 students are invited to discuss their course requirements with the Deputy Head Teacher (Curriculum) and/or the Head of Sixth Form.

Offers of places to the Magnus Sixth Form are made by the governing body.

### Admissions criteria 2012/2013

#### Special Circumstances

The following groups of children will be given special consideration:

- Students who have a Statement of Special Educational Needs where The Minster School is named in the child's Statement will be admitted
- Children in public care (as defined by Section 22 of the Children's Act 1989) at the time of entry to the school will be admitted
- Children whose particular medical needs, mobility support needs, special educational needs or social circumstances are supported by written evidence from a doctor, social worker or other relevant professional **at the time of application**, and where it can be demonstrated that the Minster School can meet these needs more effectively than other schools. The Governing Body will, in consultation with the Head, consider each case on its merits and determine the allocation of any such places.

Cases agreed under 'special circumstances' will take precedence over Criteria "a", "b" and "c". Aptitude is not considered to be a Special Circumstance.

#### FOUNDATION PLACES

**Up to 70 FOUNDATION PLACES:** to be allocated in order of priority to those who have applied by the closing date, the Governors having regard to the following factors set out in order of priority:

(i) Students transferring from the Minster School Junior Department (who will automatically transfer into Y7), (excluding students who withdraw from the Choir, and will no longer be guaranteed a place in Year 7, in such cases parents must apply through the normal process for entry into Year 7)

\* (ii) Whether either parent and/or child currently worships at least monthly at a Church of England Church as a communicant and for how long.

\* (iii) Whether either parent and/or child currently worships at least monthly at a Church of England Church and for how long, but who are not communicants.

In the event of there being more applicants than places available for Foundation applicants, the deciding factors will be whether there is a brother or sister on the school roll at the time of entry to the school and then, if a further distinction is needed, the straight line distance from home to the school reception as measured by the Local Authority using computer software.

In the event of fewer than 70 Foundation places being awarded, the balance of the 70 places will become available to applicants in the remaining criteria, using the existing priorities for awarding places.

\* Applicants for Foundation Places under these criteria are advised that the school will request information, via the parents, from their Minister of Religion. Please contact the school if you require further guidance on this or any other issue.

**(b) CATCHMENT PLACES:** for children who live in the following civil parishes:

Bleasby	Halam	Kirklington	Normanton
Goverton	Hockerton	Morton	Southwell
Mapplebeck	Rolleston	Farnsfield	Edingley

Thurgarton  
Winkburn

Caunton  
Upton

Fiskerton

Halloughton

NB It is residence in the listed civil parishes which is relevant, **not the Primary School attended.**

In the event of there being more applicants than places available for Catchment applicants, the deciding factors will be whether there is a brother or sister on the school roll at the time of entry to the school and the, if a further distinction is needed, the straight line distance from home to the school reception.

### (c) PARENTAL PREFERENCES

If, having awarded places to all valid applicants for Foundation and Catchment places, the number of places awarded is below 240, Governors will consider applications from parents where the application does not come under category (a) or (b).

In the event of there being more Parental Preference applicants Governors will have regard to the following factors set out in order of priority:

- (i) Whether there is a brother or sister on the school roll at the time of entry to the school.
- \* (ii) Whether either parent and / or child worships at least monthly at a Christian Church, and for how long.
- \* (iii) Whether either parent and / or child worships at least monthly within another faith community and for how long

*In the event of a distinction needing to be drawn between applicants the deciding factor will be the straight line distance from home to the school reception.*

*\* Applicants under this criterion are advised that the school will request information, via the parents, from their Minister of Religion or faith community leader. Please contact the school if you require further guidance on this or any other issue.*

### Sixth Form Admissions 2012

Governors are accepting applications for admission into Year 12 in September 2012. If more applications are received, by the published closing date, than there are places available, then the Governors will apply the following scheme:

Places to be allocated to those who have applied by the closing date, Friday 2 December 2011, the Governors having regard to the following factors set out in order of priority:

- I. Pupils transferring from within the Minster School who meet the school's minimum entry requirements (such students being guaranteed a place irrespective of numbers)
- II. Pupils transferring from other schools who meet the school's minimum entry requirements (up to a maximum of students in Y12 and Y13 to match the learner numbers funded by the YPLA or its successor organisation). This number will be published as soon as it is known.

In the event of there being more applicants than places available in (II) above, the deciding factors will be, in order of priority:

- 10. Whether there is a brother or sister on the Minster School roll at the time of entry to the Sixth Form
- 11. Whether either parent and/or child currently worships regularly and frequently at a Church of England Church as a communicant, and for how long
- 12. Whether either parent and/or child currently worships regularly and frequently at a Church of England Church and for how long, but who are not communicants
- 13. Whether either parent and/or child worships regularly and frequently within another faith community and for how long

If a further distinction is needed, the straight line distance from home to the school reception will be used.

14. Applicants are advised that the school will request information, via the Parents, from a Minister of Religion or faith community leader. Please contact the school if you require further guidance on this or any other issue

## Admissions Criteria 2012/2013

In the event of over-subscription, the following criteria will be applied by the Governing Body in priority order, to determine which applications will be granted after places have been first allocated to children with statements in which the school is named. Unusual or casual admissions to the school (including traveller children of gypsy or Romany families) outside of the normal round are dealt with by the headteacher where places exist.

1. Looked After Children
2. Children who are attending the Hucknall National C of E Primary School and Linby-cum-Papplewick C of E Primary School on the closing date for secondary transfer applications.
3. Children will then be prioritized using the following criteria:
  - a) Children who have worshipped at a Church of England Church at least once a month for the previous 12 months.
  - b) Children who have worshipped at any Christian Church which is a member of Churches Together in England at least once a month for the previous 12 months.
  - c) Children who have worshipped at a place of worship of another recognised world faith at least once a month for the previous 12 months.
4. Children who have a brother or sister who is expected to be at the school at the time of admission
5. Remaining places will be allocated to children who live nearest to the school, measured as the crow flies

In the event of over-subscription within any criterion, preference will be given to children who live nearest to the school as the crow flies. Distances are measured, using the County Council's software, from the entrance to the child's home to the main school 'IN' gate.

### Special Circumstances

Pupils who have a statement of special educational need, where this school is named in the child's statement will be admitted. In this event, the number of places that remain available for allocation will be reduced.

Consideration will be given to applicants who can establish particular medical, special educational need, disability needs or social grounds relating to their child. Supporting written evidence from a doctor, social worker or other relevant professionals must be provided at the time of application.

Special circumstances may take precedence over the numbered criteria set out above.

The school will also admit children in accordance with decisions through the locally agreed Protocol for Hard to Place Pupils.

### Admission to the Sixth Form

Admission to the Sixth Form is open to all applicants meeting the admission criteria and is not restricted to students from the National School. Subject criteria will be outlined each year in the subject prospectus.

Students can apply to be admitted either to the two year course or the one year course.

Students who apply for the two year course will be expected to follow, as a minimum, a four AS level / three A-level combination of subjects. The minimum entry requirement for this course is 3 B grades and 2 C grades at GCSE in relevant subjects. It is expected that students will have achieved a B grade in the subjects that they wish to complete over the course of two years.

Students who apply for the one year course leading to AS levels will require a minimum of 1 B grade and 4 C grades at GCSE in relevant subjects. Transfer to Year 13 and A2 level courses will be dependent upon satisfactory completion of the one year course as indicated by AS results and at the discretion of the subject leader and 14-19 Curriculum Manager.

For vocational courses the minimum entry requirement will be 5 C grades at GCSE.

Students who fail to meet the minimum entry requirements for either the two year course or the one year course will have their application considered on an individual basis.

It is anticipated that the sixth form capacity will be 150 students per year group with provision for a maximum of 30 external students

Oversubscription criteria for students who meet the minimum entrance requirements are as follows:

- a) Looked after children
- b) Children who have worshiped at a Church of England Church at least once a month for the previous 12 months.
- c) Children who have worshipped at any Christian Church which is a member of Churches Together in England at least once a month for the previous 12 months.
- d) Children who have worshipped at a place of worship of another recognised world faith at least once a month for the previous 12 months.

Students who apply for admission to the National Sixth Form are invited to discuss their application with a senior member of staff. The purpose of this meeting is to discuss proposed subject combinations and possible career implications. Offers of places to the National Sixth Form are made by the governing body

## ADMISSION POLICY 2012/2013

Children for whom Quarrydale Foundation School is the named school in a statement of special education need will be automatically offered a place at the school. The Governing Body of the school cannot guarantee a place at the school for any other category of application.

### Over-Subscription

Where the number of applicants for admission exceeds the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:

- 1 Children in public care as defined by section 22 of the Children's Act, 1989.
- 2 Applicants who can establish exceptional medical, social or humanitarian grounds (e.g. a learning, behavioural or mobility difficulty which calls for special educational provision) relating to the child or to the circumstances of the family. Supporting written evidence from a doctor and/or other relevant professional agencies must be provided at the time of application, together with details of the particular reasons why it is considered that Quarrydale is the most suitable school and the difficulties that would be caused if the child had to attend another school. Each case will be considered on its merits and the Governing Body may seek any independent specialist advice deemed necessary.
- 3 Children who live in the catchment area and who, at the time of admission, will have a brother or sister attending the school.
- 4 Other children who live in the catchment area.
- 5 Children who live outside the catchment area, but who are attending a linked primary phase school (see list at the end) on the closing date for secondary applications (31 October) and who will have a brother or sister at the preferred secondary school at the time of admission.
- 6 Children who live outside the catchment area and who, at the time of admission, will have a brother or sister attending the preferred secondary school.
- 7 Children who live outside the catchment area but who are attending a linked primary phase school on the closing date for secondary applications (31 October).
- 8 Other children who live outside the catchment area.

**Note:** If applications exceed the number of places available, the school will operate a waiting list in which priority for places will be given on the basis of the above criteria. The child's place on the waiting list may go up or down depending on whether places become available or if late or mid-term applications are received. The Governors of the school, in partnership with the Local Authority, will administer the waiting list for the duration of the co-ordinated admissions scheme. Once the co-ordinated scheme is closed, the waiting list will remain open but will be administered by the Governors of the school for one year. All applications for places in the normal year of entry are made on the common application form.

### Measuring distance "as the crow flies"

In the event of over-subscription with any criterion, preference will be given to children who live nearest to the school as the crow flies. Distances are measured from the entrance to the child's home to the principal entrance to the main administrative building of the school by the Local Authority which currently uses the 'Arcview' system.

### Admission to the Sixth Form including admission number for those admitted for the first time

To be accepted on to Level 3 courses, pupils will need five or more GCSE passes at Grade C or above (or equivalent) and be able to provide evidence that they are able to complete any necessary coursework and meet deadlines. For certain subjects, a GCSE Grade B is required. (See Sixth Form Prospectus.) The school does not currently actively recruit into its Sixth Form. Applications are handled in the same way as other applications outside the normal year of entry. Any applicant refused entry can appeal against the decision. Should oversubscription criteria be required, they will be as for Year 7, with the exception of Criteria 5 and 7.

### Admission Criteria 2012/2013

In the event of over-subscription, the following criteria will be applied by the Governing Body in priority order, to determine which applications will be granted:

1. Children who are Looked After (for admission purposes the definition of 'looked after child' is from The Education (Admission of Looked After Children) (England) Regulations 2006.
2. Children who live in the catchment area and who, at the time of admission, will have a brother or sister attending the school.
3. Other children who live in the catchment area.
4. Children who attend and are currently registered at Church of England Primary Schools;
5. Children whose parents regularly worship at a Church of England Church, confirmed in writing by a minister of that Church
6. Children whose parents regularly worship at any Christian Church in membership of Churches Together in Nottinghamshire, confirmed in writing by a minister of religion;
7. Children whose parents have a similar commitment to one of the world's major faiths such as Buddhism, Hinduism, Islam, Judaism, Shintoism or Sikhism, confirmed in writing by a Minister of Religion. Where there is concern or a lack of clarity about a particular faith, advice will be sought through the Nottinghamshire Council of Faiths.
8. Children who live outside the catchment area but who are attending a linked primary phase school on the closing date for the expression of preferences preceding admission to secondary school and who will have a brother or sister at Queen Elizabeth's at the time of admission.
9. Children who live outside the catchment area and who, at the time of admission, will have a brother or sister attending Queen Elizabeth's.
10. Children who live outside the catchment area but who are attending a linked primary phase school on the closing date for the expression of preferences preceding admission to secondary school.
11. Other children who live outside the catchment area.

In the event of over-subscription within any criterion, preference will normally be given to children who live nearest to the school as the crow flies. Distances are measured from the entrance to the child's home to the nearest recognised main entrance of the school building.

Children who have a statement of special education needs that names the school will be admitted. This will reduce the number of places available to other applicants.

Regular worship in 5 and 6 above is considered to be attendance at church at least monthly on average over the past year, as confirmed by a reference from the family's church minister.

Any applications received after the closing date will be considered after all those which were received on time. Where places subsequently become available the waiting list will be used, ranked according to the above criteria.

### SPECIAL CIRCUMSTANCES

Consideration will be given to applicants who can establish particular medical, Special Educational Need, disability needs or social grounds relating to their child. Supporting written evidence from a doctor, social worker or other relevant professionals must be provided at the time of application. Special circumstances may take precedence over any of the numbered criteria set out above.

### ADMISSION TO THE SIXTH FORM

The school has an open admission policy to the Sixth Form. Post 16 years students who wish to join the Sixth Form should discuss their course requirements with the Deputy Head Teacher (Curriculum, Teaching and Learning) and the Head of Sixth Form.

### Admission Criteria 2012/2013

Where the number of applications for admission exceeds the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:

1. Children in public care.
2. Children who live in the catchment area and who at the time of admission, will have a brother or sister attending the school.
3. Other children who live in the catchment area.
4. Up to 22 places will be allocated to pupils who, at the closing date for applications can show an aptitude for the Performing Arts, and whose parents have requested a place at the school. Places will be allocated on the basis of those achieving the highest scores following the completion of the audition process, as published in the school's prospectus.
5. Children who live outside the catchment area but who are attending a school in the 'Redhill Family' on 31 October preceding admission to secondary school and who will have a brother or sister at the preferred secondary school at the time of admission.
6. Children who live outside the catchment area and who, at the time of admission, will have a brother or sister attending the preferred secondary school.
7. Children who live outside the catchment area but who are attending a school in the 'Redhill Family' on 31 October preceding admission to secondary school.
8. Other children who live outside the catchment area.
9. If applications exceed the number of places available the school will operate a waiting list in which priority for places will be given on the basis of the above criteria.

### Measuring distance 'as the crow flies'

In the event of over-subscription within any criterion (except 4 above), preference will be given to children who live nearest to the school as the crow flies. Distances are measured from the entrance to the child's home to the principal entrance to the main administrative building of the school by the Local Authority which currently uses the 'Arcview' system.

### Performing Arts Aptitude Assessment

Audition workshops will take place in November. All candidates will be involved in group work across the three areas of music, drama and dance aimed at judging any individual aptitudes they may have in the performing arts. Further details of this process can be found in the current school prospectus.

### Special Circumstances

Students who have a statement of special educational needs where this school is named in the child's statement will be admitted.

### Admission to the sixth form including admission number for those admitted for the first time

### Admission Criteria 2012/2013

After the admission of pupils with statements of Special Educational Needs where The Samworth Church Academy is named on the statement, the criteria will be applied in the order in which they are set out below:

- Children in public care
- Children with a sibling who currently attends the school and who will continue to do so on the date of admission; the term sibling includes a child living in the same household under the care of the same parent(s) or guardian(s) and children not normally resident in the same household but sharing a genetic or adoptive parent.

- c) Children who are normally resident within the area designated by The Samworth Church Academy as its catchment area
- d) Other children

In the event of over-subscription within any of the criteria, preference will be given to children who live nearest to the school using straight line measurement from the main external entrance door of the Academy to the main external entrance door to the child's home.

#### Sixth form admission criteria

Admissions into sixth form will be allocated to those who have applied by the closing date taking regard to the following factors set out in order of priority

Pupils transferring from within The Samworth Church Academy who meet the school's minimum entry requirements; such students are guaranteed a place irrespective of numbers.

Pupils who transfer from other schools who meet the school's minimum entry requirement (up to a maximum number of 250 in Years 12 and 13)

In the event of there being more students than places in 2. above the deciding factors will be in order of priority:-

- ii. Whether there is a brother or sister on the roll of The Samworth Church Academy at the time of entry to the Sixth Form
- iii. Pupils who live nearest to the Academy using a straight line distance from the main entrance of the Academy to the main entrance of the pupil's residence

##### Over-Subscription

Where the number of applications for admission exceeds the number of places available, the following criteria will be applied in the order set out below.

- Children in public care who are 'looked after' at the time of application for admission is made and who the local authority can confirm will still be looked after at the time of admission to the school.
- Children with a statement of special educational needs that names South Nottinghamshire Academy will be admitted.
- Children who live in the catchment area on the closing date for applications as part of the co-ordinated admissions scheme in the year preceding admission to secondary school.
- Places will be allocated in the first instance to children, who at the time of admission, will have a brother or sister attending the school in years 7-11
- Children who live outside the catchment area and who are attending one of the feeder schools – Radcliffe on Trent Junior School, Cotgrave Candleby Lane School or Cotgrave C of E School.
- Other children who live outside the catchment area

In the event of over-subscription the school will operate a waiting list in which priority for places will be given on the basis of the above criteria.

Proximity to the school will be measured 'as the crow flies' from the home address to the school main reception office. Those living nearer to the school will be given priority.

##### Special Circumstances

Special consideration will be given to children with an exceptional level of need with regard to a physical disability. Written evidence from a registered health professional, such as a doctor is required at the time of application. The school has excellent access for students with a physical disability.

Children of nomadic travellers who live within the catchment area will be given special consideration. Requests from the local area pupil placement panel for 'hard to place children' will be given special consideration. Each application will be considered on its merits in consultation with Governors and the local authority.

### Admission Criteria 2012/2013

Not all those pupils who apply for places will be able to be accommodated. Where the number of applications for admission exceeds the number of places available, the following criteria will be applied in the order set out below to decide which children to admit once places have first been allocated to pupils who have a statement of special educational needs which names the school.

1. Children looked after by a local authority.
2. Children who live in the catchment area and who, at the time of admission, will have a sibling attending the school in years 7-13
3. Other children who live in the catchment area
4. Children who live outside the catchment area and who are attending one of the linked primary schools on the closing date for applications; and have a sibling attending the school in years 7- 13 at the time of admission
5. Children who live outside the catchment area and who, at the time of admission, will have a sibling attending the school in years 7-13
6. Children who live outside the catchment area and who are attending one of the linked primary schools listed above on the closing date for applications
7. Other children who live outside the catchment area

If applications exceed the number of places available the school will operate a waiting list in which priority for places will be given on the basis of the above criteria. Proximity to the school will be measured 'as the crow flies' from the home address to the main reception office. Those living nearer to the school will be given priority.

### Special Circumstances

Special consideration will be given to children with an exceptional level of need with regard to a physical disability. Written evidence from a registered health professional such as a doctor is required at the time of the application. The school has excellent access for students with a physical disability.

Requests from the local area pupil placement panel for 'hard to place children' under the Rushcliffe Fair Access Protocol will be given special consideration. The governors of the school will consider each application on its merits in consultation with the local authority.

### Admission to the Sixth Form (including admission number for those admitted for the first time)

The admission number for the Post-16 centre will be 200, of which we anticipate that the minimum number of applications to Year 12 from outside the school will be 30.

Students will be accepted on to Post 16 courses if they meet the entry requirements listed below:

To study AS or A Level Pathway Students should have a minimum of 2 grade 'B' and 3 grade 'C' passes at GCSE level. GCSE grade 'B' passes in subjects the students wish to take at A level would be an advantage.

### Over-subscription for the Post-16 centre

Where the number of applications for admission exceeds the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:

- Children who are looked after by a local authority and who meet the entry criteria
- Children who already attend the school and meet the entry criteria
- In the event of an over-subscription of the above criteria proximity to the school will be used with those living nearer being given priority. Distance measurements to be made 'as the crow flies' from the home address to the main reception office of the school.

### Sixth form admission criteria

#### Level 3 Entry Requirements

Students wishing to study 'AS' qualifications will need to have achieved at least a grade 'B' in their chosen subject. Students with grade 'Cs' will be considered on a one by one basis. Students following a full package of 'AS' qualifications will normally also have at least 5 x GCSEs at grade 'C' or above. Where students have fewer grades at this level, a personalised package of both Level 3 and 2 qualifications can be put together to suit the learner's profile.

BTEC Level 3 courses will require students to attain a range of about 4 grade 'C' GCSE passes

#### Level 2 Entry Requirements

Level 2 courses are available to students who have demonstrated a good attitude to learning and a willingness to succeed having achieved a range of GCSE passes mainly at grade 'D' and below. Alternatively, they offer the chance to retake one or more subjects such as English that needs to be achieved at grade 'C' or higher to enter University

## Admission Criteria 2012/2013

Children in public care who are 'looked after' at the time an application for admission is made and who the local authority can confirm will still be looked after at the time of admission to the school.

Children with a statement of special education needs that names the West Bridgford School will be admitted.

Subsequently, where the number of applications for admission exceeds the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:

- 1.0 Children who live in the catchment area on the closing date for applications as part of the co-ordinated admissions scheme in the year preceding admission to secondary school.  
Places will be allocated in the first instance to children, who at the time of admission, will have a brother or sister attending the school in years 7-11.
- 2.0 For children outside the catchment area up to 22 (10%) of places will be offered to those who can demonstrate an aptitude for Technology and could therefore benefit from the distinctive education offered by the West Bridgford School as a specialist technology school.  
The parents of those students whose entry is to be based on technological aptitude will be required to present their child for the Assessment (one hour) at The West Bridgford School in the year preceding entry, details of which will be published within the school's prospectus.
- 3.0 Children who live outside the catchment area and who are attending a linked primary phase school on (date to be confirmed) preceding admission to secondary school. The linked primary schools are Greythorn, Heymann, Jesse Gray and West Bridgford Junior.
- 4.0 Other children who live outside the catchment area.

### Proximity to school

In the event of an over-subscription of any of the above criteria proximity to the school will be used with those living nearer being given priority. Distance measurements to be made 'as the crow flies' from the home address to the main reception office of the school.

### Special circumstances

Special consideration will be given to children with an exceptional level of need with regard to a physical disability provided written evidence from a registered health professional such as a doctor, is received at the time of application. The school has good access for students with a physical disability and we form part of the local authority's strategic plan to improve access for child with physical disability.

Children of nomadic travellers that live within the catchment area will be given special consideration.

Requests from the local area pupil placement panel for 'hard to place children' will be given special consideration.

The governors of the school will consider each application on its merits in consultation with the local authority. Cases agreed under 'special circumstances' will take precedence over all of the numbered criteria.

### Technological Aptitude Assessment

Parents who wish to seek a place for the child at the school based upon technological aptitude are asked to present their child for the assessment on the following dates:

- Saturday, 8 October 2011 (provisional)
- Monday, 10 October 2011 (provisional)
- Saturday, 15 October 2011 (provisional)

Arrival time for each day will be 8.45 am. The assessment will start at 9.00 am

Parents who wish their child to take the assessment should request, complete and return an assessment application form, which is available from the school, 7 days before the assessment. Further information regarding the assessment will then be provided. Please note, sitting the assessment is not considered an application in itself. Results of the assessment will be provided before parents have to complete the CAF (Common Application Form).

### The admission number for the Post-16 centre will be 170.

The West Bridgford School Post-16 centre presently only offers 'A' level courses. Subsequently we propose the following admissions criteria:

3 AS level subjects **plus** General Studies - 3 GCSEs at grade B or above in subjects to be studied **plus** a further 2 or more GCSEs at grade C or above.

4 AS level subjects **plus** General Studies - 2 GCSEs at grade A/A\* and 2 at grade B (or higher) in the subjects to be studied **plus** 1 or more GCSEs at grade C or above.

These requirements do not include English oral grades or GCSE half course grades.

Students will only be considered if they have achieved a minimum of grade C at GCSE level in both English and Mathematics.

The maximum number of places from external candidates for Post-16 entry in year 12 will be 25.

**Over-subscription for the Post-16 centre**

Where the number of applications for admission exceeds the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:

- 1.0 Children in public care who are 'looked after' at the time an application for admission is made and who the local authority can confirm will still be looked after at the time of admission to the school.
- 2.0 Children who already attend the school and meet the entry criteria.
- 3.0 In the event of an over-subscription of the above criteria proximity to the school will be used with those living nearer being given priority. Distance measurements to be made 'as the crow flies' from the home address to the main reception office of the school.

## LISTENING TO YOU

We hope you are happy with the education your child receives. Please talk to us if you have any problems or comments. You can get information about how to complain from our website [www.nottinghamshire.gov.uk](http://www.nottinghamshire.gov.uk).

If, however, you are not happy with the way you are treated or the way that your comments are dealt with, you have the right to complain and to know that your complaint is being handled correctly.

## COMPLAINTS ABOUT SCHOOLS

Each school is generally responsible for considering its own complaints. If you have a complaint about a school, you should first discuss it with the head teacher. If you are not satisfied with the head teacher's response, or if your complaint is about the head teacher, then you should ask the school governing body to consider your complaint.

## OTHER COMPLAINTS

If your complaint is about Nottinghamshire Local Authority or the actions of our staff, there is a separate complaints procedure. This procedure is set out in our leaflet 'Listening to you'. You can get copies from libraries or any County Council office.

You are entitled to complain to the Local Government Ombudsman if you think we have managed anything inefficiently or badly. However, the Ombudsman would normally expect you to have followed our complaints procedure before considering your complaint.

## DISCLAIMER

Nottinghamshire County Council is committed to the highest standards of quality of information and makes every effort to ensure that information is accurate. All information contained in this publication was correct at the time of printing but may be subject to amendment at a later date.
